# A Message From the OTC 2017 Chairman

Dear Colleague,

I would like to invite you to participate in the Offshore Technology Conference Distinguished Achievement Awards Luncheon. It will take place on Tuesday, 2 May in NRG Center. This event will be an important aspect of OTC 2017, which will be held 1–4 May at NRG Park in Houston.

The luncheon promises to be a memorable afternoon. We will recognize the OTC Achievement Awards for Individuals and Organizations. We will also provide a donation from the proceeds of the event to a charitable organization, chosen by the luncheon's Executive Advisory Board.

In addition to recognizing our most distinguished individuals and organizations, the desire to give back to the oil and gas community is an important aspect of the luncheon. The beneficiary that is chosen will in some way be connected to the offshore energy industry or to the communities where we operate. The Executive Advisory Board of this event annually selects the organization that fits the criteria mentioned above. Because of the faithful support of industry-leading companies, approximately USD 1,400,000 has been donated to worthy organizations in the past few years of the event.

The success of this luncheon is dependent upon the generosity of OTC's supporters. I hope you will review the enclosed sponsorship opportunities and join other industry leaders in making a contribution to that success.

Should you have any questions or wish to further discuss the opportunities, please contact **Craig Mortiz**, at **+1.713.457.6888** or **cmortiz@otcnet.org**.

On behalf of the Board of Directors, thank you for your support.

Regards,

**Joe Fowler**

Chairman, OTC Board of Directors

## Afternoon Flow

1200–1300 ..... Networking and Welcome Remarks

1300–1400 ..... Lunch, Awards Presentation,  
and Beneficiary Recognition

## Awards Presentation

Each year, the OTC Awards Committee considers major technological, humanitarian, environmental, and leadership contributions to the industry. If truly significant, the committee names an individual and an organization as recipients of the prestigious OTC Distinguished Achievement Award.

In some years, OTC also awards a special citation to recognize other notable activities or developments that benefit the offshore energy industry. Learn more at **www.otcnet.org**.
