the priority point system, will be posted on the OTC website in February.

## Spotlight on New Technology® Program

OTC recognizes innovative technologies each year with the Spotlight on New Technology Award. This awards program is exclusively for OTC exhibitors and showcases the latest and most advanced technologies that are leading the industry into the future. Applications will be accepted through 14 December.

### Photography/Video/Audio Recording Regulations

To maintain the unparalleled technological experience, OTC must strictly enforce a photography and videography policy which will protect the leading-edge technology showcased at the event. Violations to this policy could result in a verbal warning, the loss of priority points, and ultimately the confiscation of the exhibitor's badge and removal from the premises by OTC Staff. Revisions have been made to the existing policy, so please click below to review the official policy in detail.
